

100 Mile Relay
Parent Information Day
Saturday January 22, 2022

Parents and Athletes:

For the past 17 years we have worked incredibly hard to develop one of the top track and field programs in Texas. Our success has come from outstanding support from the community. Running a successful Track & Field program requires us to raise needed funds to provide our athletes the best experience possible while building towards their goals in track and field. With this fundraiser all proceeds will go towards– track & field equipment, new record board, uniforms, travel cost to meets, etc...

On Saturday January 22 we will host our annual 100-mile relay fundraiser along with our parent information meeting. This event is our main fundraiser for the year. We are asking our athletes to raise \$100 each by asking for donations via social media, email, text, etc... Throughout the day we will ask our athletes to sign up for a time slot and help complete our 100 mile goal. This year we are using a Go-Fund Me site for donations.

**Parent Information Meeting will be held on Saturday
January 22 at 3:30 p.m. on the Track at College Park H.S.**

Important information will be shared about the upcoming season. We are asking that all parents attend so they are well informed about our College Park Track & Field Program.

We look forward to a great season and will see you on Saturday.
